Fleece Section Rules

Each entrant may enter up to 2 fleeces per class.

Fleeces should be entered on the day and must be laid out in the Home Industries tent by 10.15 am.

Points will be awarded for style and character, cleanliness, fineness and uniformity of quality, strength, springiness, colour and particularly presentation. While weight may be taken into account by the Judge, this will not be an overriding factor.

Any artificially tinted or stained fleeces will be disqualified.

Fleeces should be unwashed.

Competitors should collect their fleeces from the tent no earlier than 4pm on Show Day.
